MERIT™ SERIES GLASS DOORS

Designed exclusively for Lennox Merit™ Series and Superior® wood- and gas-burning fireplaces, the selection of twin-pane or bi-fold doors and fixed panels delivers the perfect touch for any preference. The bi-fold doors, with four glass panes, offer smooth and effortless opening in tight spaces. Twin-pane doors provide a virtually unbroken view of the fire with two large, metal-trimmed glass panes. And the fixed-panel doors, available for gas fireplaces, create the attractive look of a bi-fold door with a seamless frame that does not open.
